### **LOCAL RESIDENT CONSULTATION RE. PROPOSED PLAY AREA FOR LINCOLN COURT OPEN GREEN SPACE**

7<sup>th</sup> June 2024

Dear Resident

#### **To residents in the vicinity of Lincoln Court Green Area**

Milton Keynes City Council have approached Hanslope Parish Council regarding using S106 funding (money from developers, allocated via legal agreements to implement improvements for all residents), to install some play equipment on the green space at Lincoln Court. This is as a response to our growing village with new young families and taking into account that suitable open spaces for play equipment are very limited in Hanslope. This consultation will last for 6 weeks and is to obtain your views as a local resident.

The equipment is targeted for the under 8-year-old age group. The indicative plans can be found on our website [www.hanslopeparishcouncil.org](http://www.hanslopeparishcouncil.org) but are subject to change, depending on the outcome of this consultation. Your views are important and we would like to hear from you. If you are in support of the idea, please tell us and if you would like to see anything different from the proposed plans, please let us know. If you are not in support of the proposal, please also tell us and let us know your reason(s).

As you can see from the plans, the proposal includes a small number of play items plus new fruit tree planting and a small seating area. This is just an indicative plan, and not the final design. MKCC are constrained by policy when designing play areas, as the active space has to be 20m from nearest housing. This may affect the current use of the space for football and you are welcome to comment on this.

Comments and views should be emailed to the Parish Council on: [clerk@hanslopeparishcouncil.gov.uk](mailto:clerk@hanslopeparishcouncil.gov.uk) by August 31<sup>st</sup> 2024. All comments will be saved and compiled into a report to submit to MKCC.

Kind regards

Parish Clerk  
On behalf of Hanslope Parish Council
